To Whom It May Concern,

**Letter of Recommendation for Pat Davie Ltd
Hong Kong Palace Museum**

I am writing this letter as a recommendation for Pat Davie Ltd (PDL).

PDL was appointed as the Interior Fitting-Out Works Contractor for the Exhibition Galleries, Auditorium, Atria and other Public Areas for the Hong Kong Palace Museum (HKPM) at West Kowloon Cultural District since December 2019. Throughout the duration of the project, the works have been carried out by a team of specialized workforce efficiently managed by experienced Project Managers, and the contract works are completed to our satisfaction.

We have no doubt recommending them to any organization looking for competent contractor and quality works, and wish them success in their future business.

Yours faithfully
For and on behalf of
Rocco Design Architects Limited

C.M. Chan
