Dear Gilbert,

**Re: Deutsche Bank Project Dragon
Main Contractor Package L52 – L66**

I am writing to express our sincere appreciation to Pat Davie Limited for the outstanding performance in the delivery of Deutsche Bank, Project Dragon.

Being responsible for the construction, installation, testing and commissioning of the complete project as well as the project interface to the International Commerce Centre Building Management team, all nominated sub-contractors and the Project Office, Pat Davie Limited provided a professional solution across all elements of design, construction, procurement and technical support ensuring a seamless delivery of the project as a true project partner.

I would like to take the opportunity to express our gratitude for the professional advice and support provided by the Pat Davie Limited management team. To you Gilbert as General Manager, thank you. To our Project Directors, Lawrence and Bede who continually provided both strategic and construction planning at a level that assured a 'best in class' delivery, our sincerest appreciation.

The PDL Site team have clearly established themselves as a world class construction team with both DB and the Project Team through their diligent efforts and focus.

I would be pleased to recommend Pat Davie Limited as a Project partner that combines customer and delivery focus with high quality commercial build installations and complete A to Z delivery.

Yours sincerely,

Robert McGrath
